BILL ANALYSIS

H.B. 411
By: Williamson

Committee on
Appropriations

BACKGROUND

Currently, many state agencies in Austin and Travis County send interagency mail through the United States Postal Service. This practice costs the state money in addition to causing delays in delivery.

The State Purchasing and General Services Commission (SPGSC) operates an inter-agency mail service to send letters between State agencies in the local Austin area. This service is provided at no expense to state agencies and generally provides for same-day delivery.

PURPOSE

As proposed, H.B. 411 mandates that local agencies in Travis County make use of inter-agency mail when sending items to other local State agencies unless otherwise required by federal law.

SECTION-BY-SECTION ANALYSIS

SECTION 1

Amends Art. 601b, V.T.C.S., to provide that the State Purchasing and General Services Commission deliver letters and packages between State agencies in Travis County unless use of the United States Postal Service is required by state or federal law.

SECTION 2

Effective Date: September 1, 1989

SECTION 3

Emergency clause.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not delegate rulemaking authority to a state officer, agency, department or institution.

SUMMARY OF COMMITTEE ACTION

HB 411 was considered in a public hearing on March 22, 1989. On that day the bill was voted favorably with the recommendation that it do pass and be placed on the Consent calendar on a record vote of 20 ayes and 3 absent.

In Re: House Bill No. 411

FROM: Jim Oliver, Director

In response to your request for a Fiscal Note on House Bill No. 411 (relating to the delivery of certain interagency mail) this office has determined the following:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill would amend article 601b to require all state agencies in Travis County, not just the City of Austin to utilize services of the State Purchasing and General Services Commission (SPGSC) for delivery of interagency mail. SPGSC would be required to add one additional mail route, for the four (4) agencies not currently served by the Mail Messenger services. Funds for one additional staff position, one vehicle and associated expenses would be required for implementation of the bill.

Savings anticipated from the elimination of some U.S. postage and services cannot be determined.

<u>Fiscal Year</u>	<u>Probable Cost Out of the General Revenue Fund</u>	<u>Change in Number of State Employees from FY 1989</u>

1992	18,600	+ 1
1993	18,600	+ 1

Similar annual costs would continue as long as the provisions of the bill are in effect.
